## Double Consonants

A word with double consonants has two consonants (the same letter) next to each other in the word. Divide the word between the two consonants: for example, **kit/ten**.

Read the words below. Choose a word from the box that belongs in each sentence. Write the correct word on each line.

|        |         |        |         |        |
|--------|---------|--------|---------|--------|
| butter | mittens | office | muffins | dinner |
|--------|---------|--------|---------|--------|

1. It was time for \_\_\_\_\_.
